

## **Whole School Concerns and Complaints Policy**

London Steiner School (LSS) aims to provide quality teaching and pastoral care to all of its pupils. However, if parents do have a concern or a complaint, they can expect it to be treated with care and in accordance with the procedure set out below.

LSS makes its complaints procedure available to all parents of pupils and of prospective pupils on the school's website and in the school office during the school day. We will ensure that parents of pupils, and of prospective pupils, who request it, are made aware that this document is published online, or available from the school office. The number of complaints received and registered under the formal procedure during the preceding school year can be obtained by asking in the school office.

**Parents can be assured that all concerns and complaints will be treated seriously and confidentially. The school is here for your child and you can be assured that your child will not be penalised for a complaint that you (or your child) raise in good faith.**

### **Timeframe for Dealing with Complaints**

Timescales in this procedure will be strictly adhered to during term time. If a complaint is received close to the end of term or during the school holidays, the school will use reasonable endeavours to meet these timescales and will inform parents should any delay be envisaged.

It is in everyone's interest to resolve a complaint as speedily as possible: the school's target is to complete the first two stages of the procedure within 21 days if the complaint is lodged during term-time, and as soon as practicable during holiday periods. If the complaint is related to The Early Years Foundation Stage (EYFS) we will notify you of the outcome of the investigation within 28 days of having received the complaint. The record of complaints will be made available to OFSTED on request.

Stage 3, The Review Panel Hearing, will be completed within a further 28 days if the appeal is lodged during term-time, and as soon as practicable during holiday periods.

## **Stage 1a Informal Resolution**

### **Raising an initial Concern**

For parents who have any questions or concerns about their child's education, the best starting point is the child's Class Teacher or Kindergarten Teacher. If the concern is about administrative issues, parents should contact our office staff. The relevant staff member will respond or invite you in for a resolution meeting.

The reason for the concern, as well as actions arising from it, will be recorded. It is hoped that most concerns will be resolved quickly and informally in this way.

## **Stage 1b**

### **Taking the concern further**

If parents are not satisfied with the initial response, or if the concern is about a staff member, you should contact the College by email detailing your concern (please see contact details below in **Information for Parents**). You should also do this if the issue is one of grave seriousness (e.g. where the safety and wellbeing of children is involved).

You will receive an acknowledgement within 2 school days. Investigations may need to take place and you should have a reply in writing within 14 days.

The College is responsible for ensuring that concerns raised by parents are brought to a satisfactory and timely conclusion. The College may consult the Designated Trustee. Records of all meetings and interviews will be kept. (Please also see the LSS Data Protection Policy)

If the concern is not resolved the matter should be escalated to Stage 2.

If the complaint is against the person dealing with your complaint, you should make your complaint directly to the Designated Trustee.

## **Stage 2 – Formal Resolution**

We aim to deal with any issues that may arise at stage 1a of this procedure. However, if the concern cannot be resolved on an informal basis, or the concern is about the Complaints Officer the parent should put this forward in writing as a formal complaint to the Designated Trustee. Receipt will be acknowledged either verbally or in writing within seven days. The Designated Trustee will consider the complaint and reply in writing within 21 days.

The Designated Trustee will keep written records of all meetings and

interviews held in relation to the complaint. Such records will be viewed by all parties and seen to be accurate.

The Designated Trustee will call for a full report and for all the relevant documents. The Designated Trustee may also call for a briefing from members of staff and will, in most cases, speak to, or meet with the parents to discuss the matter further.

Once the Designated Trustee is satisfied that, so far as is practical, all of the relevant facts have been established, a decision will be made and parents will be informed of this decision in writing. The Designated Trustee will also give reasons for the decision.

If parents are still not satisfied with the decision, they should inform the Designated Trustee in writing that they wish to proceed to Stage 3 of this procedure.

### **Stage 3 – Review Panel Hearing**

If parents seek to invoke Stage 3 (following a failure to reach an earlier resolution), they will need to write to the Chairperson of the Trustees. The Trustees will then appoint a panel of at least three people. One member of the panel will be a trustee who has not been involved in handling the complaint. The other two members will be suitably qualified persons, independent of the school's management or governance. The appointment of the panel is the responsibility of the School Trustees.

The Facilitator, on behalf of the Panel, will then acknowledge the complaint and schedule a hearing to take place within 21 days of Stage 3 being invoked.

If the Panel deems it necessary, it may require that further particulars of the complaint or any related matter be supplied in advance of the hearing. Copies of such particulars will be supplied to all parties not later than 3 days prior to the hearing.

The parent(s) may be accompanied to the hearing by one other person. This may be a relative, teacher or friend. Legal representation will not normally be appropriate.

If possible, the Review Panel Hearing will resolve the complaint immediately without the need for further investigation.

Where further investigation is required, the Panel will decide how it should be carried out. After due consideration of all the facts they consider relevant, the Panel will reach a decision (and may make recommendations) within 7 days of the hearing. The Panel will write to the parents informing them of the

decision and the reasons for it.

The decision of the Review Panel hearing will be final. The Panel's findings and, if any, recommendations will be sent in writing to the parents, the Designated Trustee, the Chair of Trustees and, where relevant, the person about whom the complaint was made, within 7 days of the decision. The same document will be available from the School Office for inspection by any member of the College of Teachers or any Trustee.

### **Please Note**

This procedure should not be understood to be part of a staff disciplinary or grievance procedure. As employers, the Trustees are constrained to act under rules of confidentiality. Where the issue involves allegations of professional misconduct, criminal offences, including matters covered by our safeguarding/child protection procedure or others that might result in a member of staff facing disciplinary action, an urgent investigation will take place and evidence will be gathered as appropriate from all parties. We are obliged in such matters to maintain confidentiality, without which due process, legal procedure and/or natural justice would be compromised.

### **Recording Complaints**

Following resolution of a complaint, the school will keep a written record of all complaints and whether they are resolved at the preliminary stage or proceed to a panel hearing. At the school's discretion, additional records may be kept which may contain the following information:

- Date when the issue was raised • Name of parent • Name of pupil • Description of the issue.
- Records of all the investigations (if appropriate) • Witness statements (if appropriate) • Name of member(s) of staff handling the issue at each stage • Copies of all correspondence on the issue (including emails and records of phone conversations)

Correspondence, statements and records relating to individual complaints will be kept confidential except to the extent required by paragraph 33(k) of The Education (Independent School Standards) Regulations 2014:

*"... correspondence, statements and records relating to individual complaints are to be kept confidential except where the secretary of state or a body*

*conducting an inspection under section 109 of the 2008 Act requests access to them”*

On request, LSS will provide Ofsted, with a written record of all complaints made during any specified period, and the action which was taken as a result of each complaint. The record of any such complaints will be kept for six years.

Please refer to LSS Data Protection Policy
